

# Danube River Cruise

through Uniworld Tours  
with tour hosts Mac & Debbie Brunson  
on the new "River Beatrice"  
**April 17-25, 2010**

The Danube, through its rich history, has remained timeless and truly enchanting. German poet Friedrich Hölderlin called the Danube "a refreshing, melodious river, sometimes foaming with high spirits, at other times dreaming serenely." For many centuries this river has been a reflection of Europe's history and destiny – an economic lifeline, a great highway to conquest, and a source of inspiration for poets and musicians. Now it is your turn to be inspired.

Waltz your way along the Danube as you sail from one captivating city to the next – Budapest, the beautiful "Queen of the Danube", Bratislava, the "Coronation City of Kings," and breathtaking Vienna, the "Waltz Capital of the World." Experience enchanting Salzburg, the charming village of Dürnstein located in Austria's lush vineyard-rich Wachau Valley, and Passau, with Europe's largest pipe organ located in its grand cathedral. This is a regal journey full of centuries of intriguing history that will unfold before your eyes.
