Subject: tonight service

Mr. Blount,

Could I please accompany my daughter to the service tonight? She has been attending some of the special Christmas services and it breaks my heart to have to wait outside for her. Why are you penalizing me and my daughter when we have done nothing wrong? All I have done for FBC is good by giving of my time and talents in every children and youth ministry for the past 20 years. I would appreciate a prompt response and for you to reconsider my simple request. Thanks, xxxxxxxxxxxx
