John - thank you for the offer to speak at the Deacon's meeting. Even though you have still not provided me a copy of the bylaws, and have not given me the basis of the allegations, my wife and I will choose to be present and speak at this meeting. We will accept your offer to speak to the Deacons to give an answer for the allegations made against us before they vote on whatever action will be taken to discipline us.

I assume the charges against me are the same as those listed in the November 28th letter - if there are others, please let me know what they are so I may be prepared for the meeting. I assume you will not give me the basis of these allegations before the meeting but expect those will be presented. I assume my wife and I will be allowed to speak freely in our defense, to the entire deacon body present, without interruption. I will need at least 15 minutes to speak - again, uninterrupted so I may answer each of the allegations.

Please let me know the exact time and location of the meeting and we will be present.

Thank you.
